

Instructions to Download the CO-OP Network ATM Locations to a GPS Device

1. The GPS can be downloaded from the CO-OP Financial Services website. Below is the URL link—select the link below by using your left mouse button (you may need to hold down the **Ctrl** key in addition to using your left mouse button). If you cannot access the webinar this way, open a web browser, copy the URL link below and paste it into the address.

2. Select **4. GPS**, which is located near the top, center portion of the screen.

The screenshot shows a Microsoft Internet Explorer browser window displaying the CO-OP Financial Services website. The address bar contains the URL <http://www.co-opfs.org/public/locators/ATMlocator/index.cfm>. The website content includes a navigation menu with 'LOCATORS' selected, and a list of four options to find ATMs: 1. Online, 2. Toll-free, 3. Text message, and 4. GPS. The '4. GPS' option is highlighted with a red box. Below the list, there is a section titled 'Enjoy Surcharge-Free Access at 28,000 CO-OP Network ATMs' with a search form containing fields for 'Address', 'City', and 'Credit Union Name', and a 'SEARCH' button.

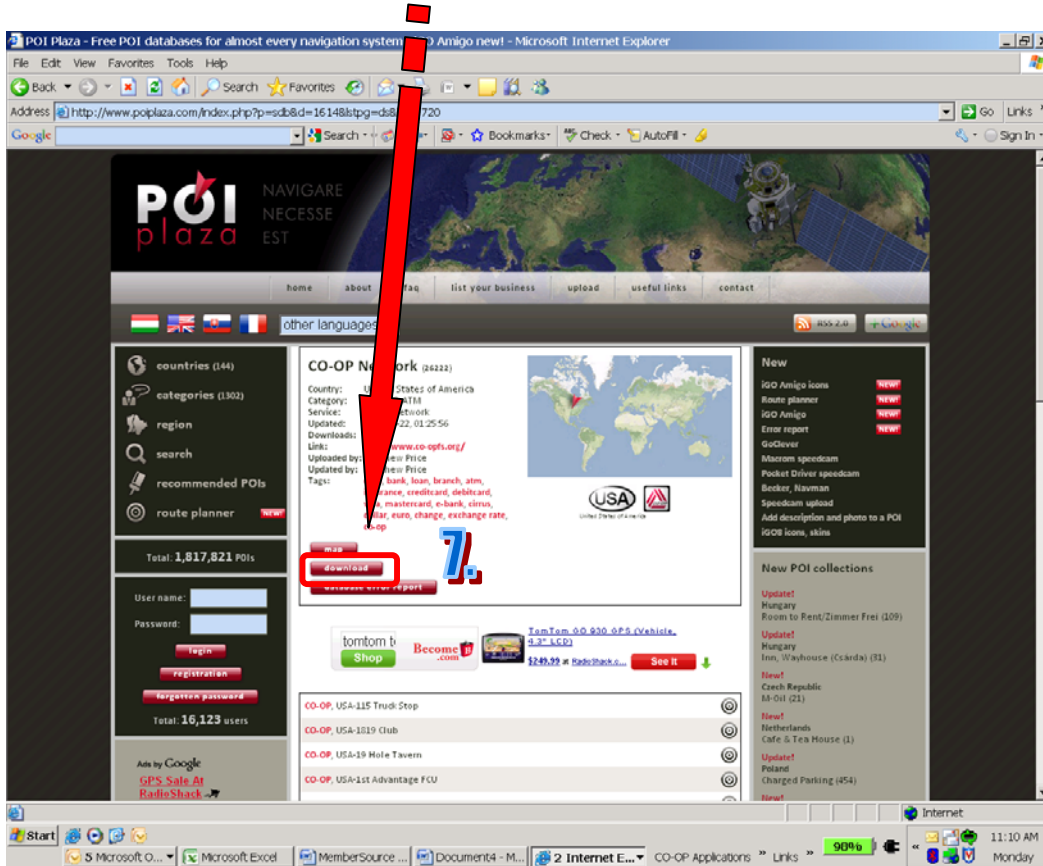

3. You will then see the screen on the next page.

4. Using your left mouse button, select **here**, which is located in the paragraph titled, **New – Text Messaging and GPS!** The user will then be taken to the POI Plaza website to perform the download.

5. A screen shot of the POI Plaza website is on the next page.

7. At the next screen, select **download**.

8. The user then selects the **model** of GPS device they are downloading to.

9. The user can then decide to **open** or **save** the ATM list download to their computer, in a location of their choice.

10. The user will then follow their usual downloading procedures to their GPS device.
